

# Booking Information for Xmas Taza PartyNights 2008

Due to the high demand for these nights we can only accept bookings with a £5/person deposit.

Once this deposit is paid, it is not refundable for any reason in part or full.

The price of the Xmas Taza PartyNight will be £29.99, this is inclusive of the £5 deposit.

After paying your deposit, the remainder of the Balance is due 6 weeks before your booking night.

No refunds are available for any reason after the balance due date, this applies to cancellations and people not showing up on the night-for any reason.

Balances not paid in full by the date demanded will automatically have their seats cancelled.

If your booking is made up of more than 10 people then we cannot guarantee that the whole party can sit at one table. If tables are split then we will never sit other people in between your tables.

Drinks must be ordered and paid for at your table. You cannot settle your drinks bill at the end of the night unless you have written permission from the manager to do so. Cheques will not be accepted as a method of payment.

**We are very strict with our proof of age policy for alcohol. If any of your group members are between 18 and 24 we strongly advise them to bring ID on the night, we will always refuse alcohol to anybody we suspect might be under 18.**

**Please do not come to our premises drunk; you will be refused entrance at the door.**

At Taza we maintain a sensible drinking policy and we reserve the right to stop serving alcohol to anybody to whom *we* decide has had enough. We can at anytime demand that any individual leave our premises.

It is not permissible at any time to stand on seating or tables anybody doing so will be required to leave.

The fine for bringing any drinks into Taza is £150, these terms form part of a legally binding contract.

Any of your guests arriving after food service will not be served food, but the price for the night remains the same

We do not allow people to enter the restaurant who have not paid the full amount for the night, this includes well wishers and people just saying hello.

Please inform us, at the latest, 3 days before your booking if anybody requires a European meals or a European Vegetarian meal. The options for European meals are: Chicken Steaks, Omelettes, Breaded Haddock, Breaded Scampi, Chicken Nuggets or Fish Fingers (all items served with chips and salad)

It is your responsibility to ensure all party attendees agree to our Terms and conditions.

We Take photographs on the night which we put on our website for you to view any time; we may use these for promotional material.

We do not honour all Karaoke song requests.

We plan on running these nights on November 29<sup>th</sup> and the following dates in December: 5<sup>th</sup>, 6<sup>th</sup>, 12<sup>th</sup>, 13<sup>th</sup>, 19<sup>th</sup>, 20<sup>th</sup> and then Hogmanay on the 31<sup>st</sup>.

If we can get over 40 people booked on any other night then we can have a Disco & Karaoke Buffet Event, with a meal start time of 8pm and disco after 9:30pm.

### **What happens on the night.**

There are two ways in which we might serve food on the night; we may give you access to our extensive Buffet or serve a set meal to the table. In either case the European options remain the same. It is at our discretion to decide which system we use on any given night, although we can confirm to you approximately a week before as to what our decision is. If we do not choose the buffet option then you will find poppadoms and chutneys on the table so you can have a nibble with your drink while the rest of your group assembles. We will commence your meal when all of your party has arrived. If anybody has pre-ordered a European meal then they should notify the waiter/waitress who confirms the meals at the table.

Starters will then be served on a mixed platter, meat on one side and vegetarian on the other. If at any time you run out of starters you can ask a member of staff for a **top up free of charge**.

Once your starter plates have been cleared, your table will automatically be served main course at the next available opportunity. Main course dishes are brought to the table, six in total, along with rice and Naan bread; again, if you run out of a particular dish, just ask a member of staff for a top up, **you will not be charged for food top ups**.

When your main course plates have been cleared, a member of the waiting staff will ask how many people will be having dessert. The reason we ask, and do not just bring everybody a dessert, is that many people decline because they've had a substantial meal. We offer just one dessert item which is generally a slice of gateau with cream.

After this time we clear the tables and the Party now begins with great music and Karaoke books are handed out for you to choose songs from if you wish. We do not play all requests.

All drink orders must be given to waiting staff who will serve you your drinks and take your payment at the table after each order and return with your change. If you would like a kitty jar then please ask.

We cannot process individual drink orders until after 11pm, so please order and pay for your drinks collectively.

Last orders for drinks is usually at 12:30am, this can be sooner on some occasions but you will always be notified 10 minutes before hand so you can get your orders in on time.

If you need a taxi home then we suggest you pre-order it for 12:45am. Please do not ask staff to call taxis as waiting time before somebody even picks the phone up at the taxi company can be 10 minutes if

they pick up at all; always pre-arrange your transport. In all circumstances we can not allow you to stay on the premises after **1:00am and any drinks still on the table at this time will be taken away.**

All Alcoholic Drinks must be cleared away by 1:00am in accordance with our Licensing requirements.

Photographs we have taken on the night will be on the website by the following Tuesday.

We hope you have a great night,

**Taza Management.**
